CLINIC DESCRIPTIONS

SPRING AND SUMMER CAMPS

The Eastern Connecticut State University Youth Summer and Spring Break Clinics are for boys and girls aged 5-14 of all skill levels. The camps focus on technical skill training. Specifically, dribbling, passing, receiving, shooting and heading will be developed throughout the week. The goal of the camp will be to teach all of the above in a developmentally appropriate way for each camper. Individualized goalkeeper training will also be available if any campers are interested. Most of all the camps will be FUN!!!

Campers will be exposed to college coaches and players as their counselors for the week. Each camper will receive a camp t-shirt, certificate of participation and skill development and a soccer experience that will last a lifetime.

HIGH SCHOOL TEAM CAMP

This high school clinic is set up to lead into the high school athletes preseason. Players can attend individually or as a team. Each player will go thru 3-4 training sessions and play in 3 full matches—over a three day period. Players coming as a team

will train and play with their teammates. Sessions will consist of technical, tactical and fitness training and will be conducted by college coaches. Each day will consist of 1-2 training sessions and 1 match. Players will be put into competitive situations designed to

make them better all around players and prepare them for the next level. Past Participants: South Windsor, Killingly, Windham Tech, Bacon Academy, RHAM, Valley Regional, Cromwell, Tolland, Woodstock Academy, EO Smith, East Catholic, Coventry, Bolton. **RESERVE YOUR TEAM'S SPOT NOW!!**
