CAMP DESCRIPTIONS

SPRING AND SUMMER CAMPS

The Eastern Connecticut State University Youth Summer and Spring Break Clinics are for boys and girls aged 5-14 of all skill levels. The camps focus on technical skill training. Specifically, dribbling, passing, receiving, shooting and heading will be developed throughout the week. The goal of the camp will be to teach all of the above in a developmentally appropriate way for each camper. Individualized goalkeeper training will also be available if any campers are interested. Most of all the camps will be FUN!!!

Campers will be exposed to college coaches and players as their counselors for the week. Each camper will receive a camp t-shirt and a positive soccer experience that will last a lifetime.
